SUBJECT: Construction Work related to New U.S. Highway 20

In approximately 2 to 3 weeks, construction of new U.S. Highway 20 near Moorland will require a portion of Webster County Routes D20 and D26 to be reconstructed and temporarily closed to through traffic during construction.

Webster County Routes D20 and D26 will be temporarily closed to through traffic between U.S. Highway 169, U.S. Highway 20 and Webster County Route P29 and the following roads will be designated as a detour route:

From the junction of Webster County Route D20 and U.S. Highway 169; thence South on U.S. Highway 169 to the junction of U.S. Highway 20; thence West on U.S. Highway 20 to the junction of Webster County Route P29; thence North on Webster County Route P29 to the junction of Webster County Route D26

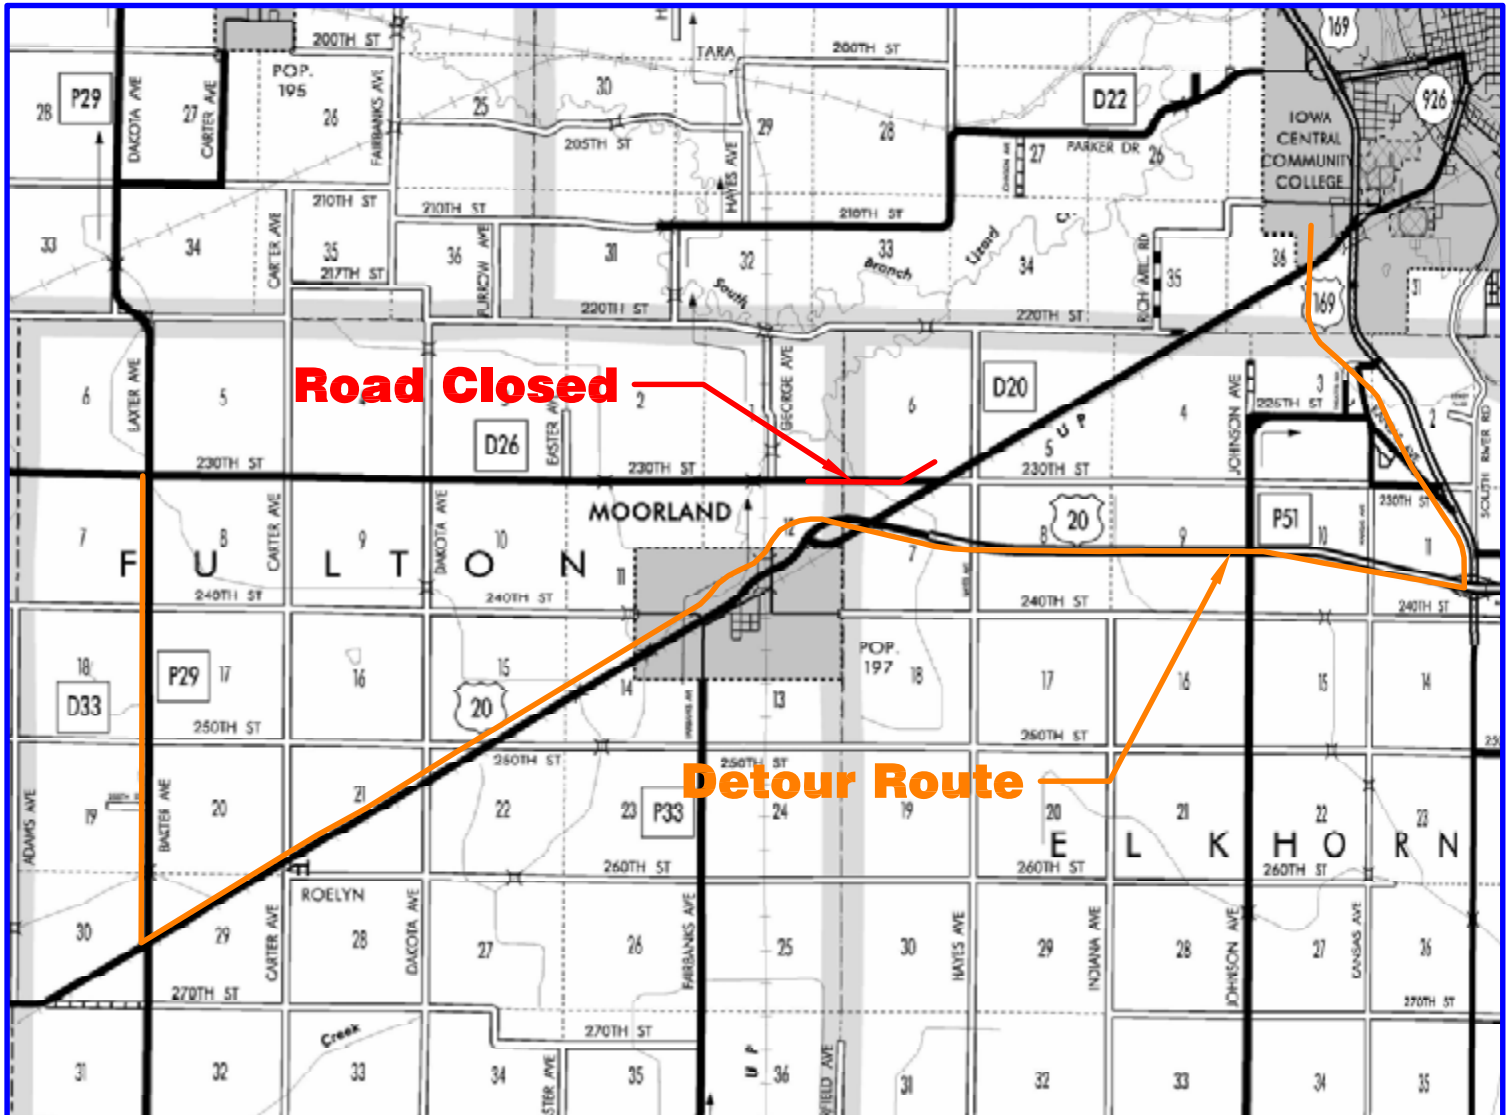

Be advised that westbound traffic on Webster County Route D20 from Fort Dodge will be unable to directly access Webster County Route D26 and U.S. Highway 20 east of Moorland. Please follow the designated detour route.

Message boards and detours signs will assist motorists.

Contact the Webster County Engineer's Office at 515-576-3281 with any questions.
